**Sunraysia Bowls Sponsorship**

July 2011

Sunraysia Hearing Clinic is proud to announce that they are now the major sponsor of Bowls Sunraysia, and Murray Valley Bowls.

"We are now in our third year as the major sponsor of Bowls Sunraysia," says Don MacDonald from Sunraysia Hearing Clinic. The response from the community has been fantastic. We believe that it is important for a business to invest in the community which is supporting it. It is only natural that we would carry on this tradition when we came to Swan Hill. The great thing about bowls is that it is played at all levels by young and old, male and female."

Don goes on to say, "We would also like

to thank the bowlers for the warm welcome we are always given. Indeed when we go along to any presentation we feel really welcome amongst old friends."

Graeme Kelly, President of Bowls Sunraysia said, "The continuous sponsorship has been invaluable, and it is greatly appreciated by all in our bowling community." Norm Smith, Secretary of Murray Valley Bowls is also delighted with this approach and says; 'It's good when a company comes into our area with an approach like this."

Sunraysia Hearing Clinic has a permanent site in Mildura with four clinicians. Visiting sites are at Ouyen, Robinvale, Swan Hill and Wentworth. The team at Sunraysia Hearing Clinic aim to have a permanent site in Swan Hill in 2012 with Jessie Crowe as the clinician. (Jessie is a native of Swan Hill.)

Man goes to the doctor for a general check over. A few days later he is seen by the doctor walking down the street with a buxom blond. The doctor goes over to him and asks him what he is up to.

"Just following doctors orders" he replies. "You said, "Get a hot mama and be cheerful!" The doctor shakes his head and says, "What I actually said was, "you've got a heart murmur, be careful!"
